HOW DO WE MAKE YOUR SPECIAL DAY PERFECT TOGETHER?

What I offer

During the trial session 3 to 4 weeks in advance, I make an inventory of your wishes and preferences for your bridal make-up and hairstyle, the style of the wedding dress and the colours in your bridal bouquet. After tailor-made advice and consultation, I will get to work with your wishes. This way we achieve your ideal bridal look that I capture with photos and notes for the wedding day itself.

Worry free

On the wedding day I will stay with you until the moment you start your day, so that you can leave all stress and nerves with me. I have professional make-up, special primers and fixations so that the make-up and your bridal hairstyle stay in place all day long. Any assistance with dressing is no problem at all.

Rates

All amounts mentioned include VAT and all travel costs within 25 km from De Lier. For a starting time before 7.30 am I request a surcharge of € 30, -
