HOW DO WE MAKE YOUR SPECIAL DAY PERFECT TOGETHER?

What I offer

During the trial session 3 to 4 weeks in advance, I make an inventory of your wishes and preferences for your bridal make-up and hairstyle, the style of the wedding dress and the colours in your bridal bouquet. After tailor-made advice and consultation, I will get to work with your wishes. This way we achieve your ideal bridal look that I capture with photos and notes for the wedding day itself.

Worry free

On the wedding day I will stay with you until the moment you start your day, so that you can leave all stress and nerves with me. I have professional make-up, special primers and fixations so that the make-up and your bridal hairstyle stay in place all day long. Any assistance with dressing is no problem at all.
